Dear Michael:

Congratulations on being recognized as one of the "Top Companies in Nevada on the 2015 Inc. 5000." Your business acumen and tenacity is an inspiration to young entrepreneurs and the entire Nevada business community.

As you know, each year, Inc. selects the fastest-growing American private companies. The selection, based on growth, revenue, industry type, and state, this year includes 27 Nevada companies. As Lieutenant Governor, two of my highest priorities are economic development and job growth. Your company underscores the progress the state has made on both fronts. So, I again congratulate you and your team.

If I can assist you in any way, please do not hesitate to call me. The entire Lieutenant Governor's office is ready and anxious to provide any help you may need in the future.

Best regards,
